10 ALFONZO LOBAS,

11 Defendant.

Case No. 2:12-cr-00109-LDG-PAL

ORDER

(Mot. Compel Psych Eval. - Dkt. #82)

13 The court conducted a hearing on Defendant's Motion for Psychiatric Evaluation (Dkt. #82) on
14 April 16, 2013. Cristina Silva was present on behalf of the government. Bret Whipple was present on
15 behalf of Defendant Lobas who was present in custody. The court heard the respective positions of
16 counsel regarding the motion. Government counsel did not file a written opposition to the motion and
17 does not oppose it. However, counsel for the government advised the court and opposing counsel that
18 the government has obtained recordings of telephone calls of Lobas' calls to his girlfriend since he has
19 been in custody. In the calls Lobas has reportedly told his girlfriend that "they have him cold" and
20 made reference to a "looney bin". Based on these recordings the government believes Lobas is
21 attempting to fabricate an incompetency defense. The government will turn over this discovery to
22 defense counsel and asked that they be provided to the evaluators. The court also asked Defendant
23 Lobas if he understood what his counsel had requested and what the government said in court. Lobas
24 responded by nodding his head indicating a negative response. When asked to respond verbally Lobas
25 indicated that he did not really understand and was not paying attention. Counsel for Lobas indicated
26 that he had been able to communicate with his client but had a concern that his client was not
27 competent.
